# WHY DOGTRA?

## CERTIFIED DURABILITY & RELIABILITY

Dogtra products are durable enough to withstand the most demanding training conditions and are trusted and used by professional trainers, Navy Seal handlers, and hunters.

Dogtra's high quality, IPX9K certified e-collars have been specifically tested for waterproof protection. The Dogtra IPX9K rated units were tested at close range using powerful water jets with high pressure and high temperature over various points.

MAKE EVERY DOG EXCEPTIONAL

## DOGTRA COMMUNITY

Trainers and dog owners are able to connect, learn, and engage on Dogtra's online platforms as a community. The Dogtra Trainer Lounge continues to provide free training webinars to the Dogtra Community by partnering with real, professional trainers.

## GRADUAL & PRECISE STIMULATION CONTROL

Patented '127 Levels Rheostat Dial' with LCD screen gives gradual and precise stimulation control without a jump. This broad range lets you select the exact stimulation that is needed for your dog.

\*Some Dogtra models have a Selector/Step Dial for specific training purposes

### Competitor's Step Stimulation Level

Steep stimulation jumps between levels

### Dogtra's Gradual Stimulation Level

Gradual stimulation control by Rheostat Dial, displayed on LCD screen on transmitter

## CUSTOMER SERVICE

Dogtra's Customer Service Team goes above and beyond to troubleshoot any issues and questions for customers to ensure the best experience. We can be reached at (888) 811-9111 or [info@dogtra.com](mailto:info@dogtra.com).
